

Juneteenth, also known as **Freedom Day** or **Emancipation Day**, is a holiday in the United States honoring African American heritage by commemorating the announcement of the abolition of slavery in the U.S. State of Texas in 1865. (June 19th)

Civil Rights begins with Human Rights, from conception until natural death, for all people!

Unbelievable! Humans denied human rights in American Courts that ruled that Dred Scott and womb babies are non-human persons.

Human Rights Violations resulting from believing that there are separate races: Racism, Wars, Slavery, Genocide, Abortion, Death (A baby is like a slave in the womb of his or her mother- abortion hurts women)

Acts 17:26 (One blood, one human race) And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation;

SO WHERE DID WE GET THIS SEPARATE RACE CONCEPT? -Divide and conquer-Racism is part of a big lie-If Satan can keep us believing that we are not one human race, one family, we are in big trouble

Example: One family, blended ethnic ancestry-Dr. Martin Luther King, Jr. is part African and part Irish-See AfricanAncestry.com recently learned of the roots of MLK through the use of DNA from Martin Luther King III The results support the paper trail that has been followed over the years. Dr. King's paternal side traces to Ireland. They were also able to discover that Coretta Scott King shared ancestry with the Mend people of Sierra Leone. MLK's ancestors Nathan King (son of James King from Cork) and Malinde (freed slave woman) were married in a "Jump the Broom" ceremony.

THE ROOTS OF SLAVERY AND RACISM: Slavery is an ancient custom. Throughout Bible history, and indeed all history, civilizations have been economically boosted by slave trade.

Slavery is about money. Free labor is very desirable by the unredeemed mind seeking to make a living by the sweat of the brow. Money lending and slavery can both have roots in greed.

In the Bible, God directed debtors to cancel debts every 7 years, and God commanded slave masters to release their slaves after 7 years with a retirement plan called "Jubilee."

TREATMENT OF SLAVES IN THE BIBLE: Deuteronomy 15 (JUBILEE) ¹²And if you brother, an Hebrew man, or an Hebrew woman, be sold unto you, and serve you six years; then in the seventh year you shall let him go free from you. ¹³And when you send him out free from you, you shall not let him go away empty:

¹⁴You shall furnish him liberally out of you flock, and out of you floor, and out of your winepress: of that from which the LORD your God has blessed you, you shall give unto him. ¹⁵And you shall remember that you were a slave in the land of Egypt, and the LORD your God redeemed you: therefore I command you this thing to day.

A VERY ODD DOUBLE STANDARD: The Bible clearly states how people should be treated whether they were slaves or not. In more recent history, slave masters justified their involvement in slavery by saying "but these slaves are not Hebrews." So it's okay to hide the evil deeds of slavery by playing with the principles of human decency? If the slave masters were going to quote the Bible to justify slavery, why didn't they follow the Bible pattern of Jubilee? After 7 years, every slave in America should have been set free with gifts and allowed to leave the plantation!

"With every ounce of our energy we must continue to rid this nation of the incubus of segregation. But we shall not in the process relinquish our privilege and our obligation to love. While abhorring segregation, we shall love the segregationist. This is the only way to create *the beloved community*." Dr. Martin Luther King, Jr.

May God have mercy on us all by the shed Blood of Lord Jesus and the Power of the Holy Spirit! Amen
