Deacons, 40 Days, and Elections

1. Priests for Life is inviting all *deacons* to join “Deacons in the Service of Life” in order to network with deacons across the country and share pastoral resources to more effectively fight abortion. *Please let the deacon(s) of your parish know that they can sign up at www.DeaconsForLife.org.*
2. We also invite all priests and parishioners to join in the *40 Days for Life* effort which Priests for Life has vigorously promoted nationwide. This started on September 24 and consists of 40 days of intense prayer, pro-life action, and presence at abortion mills. See *www.priestsforlife.org/40days* for suggested ways your parish can participate, even if your city is not formally signed up as a 40 Days for Life site.
3. Finally, as a help to prepare your people for the elections in accordance with the Church’s teachings, see *www.PoliticalResponsibility.com*. Among the information we have there are voter guides *accompanied by legal opinions regarding their use in parishes*.

Thank you for your service to life!

– Fr. Frank Pavone, National Director
