

Msgr. Michael T. Mannion

PASTORAL CONSULTANT

MSGR. MICHAEL T. MANNION, S.T.L., M.A. is the Director of Community Relations for the Diocese of Camden, New Jersey. Ordained to the Priesthood in 1971, Msgr. Mannion is a pioneer in the field of post-abortion healing, having authored some of the first and finest books on the topic, including *Abortion and Healing – A Cry to Be Whole* (1986). He has conducted training for clergy and lay professionals throughout the world on this topic. His work has helped to develop the Church's understanding of the wounds abortion brings and of the path to healing. His ministry inspired Dr. Theresa Burke to focus on the topic of healing after abortion and to develop the *Rachel's Vineyard* retreat program, now the world's largest ministry for post-abortion healing. Msgr. Mannion is now developing a new line of thought linking the path of healing with the traditional schools of spirituality in the Church.

Msgr. Mannion has served as a Cable News Network commentator for the funeral of Mother Teresa, with whom he had the privilege of working. His many other media appearances include *Meet the Press*, the *Charlie Rose Show*, and *MSNBC*. He holds advanced degrees in theology, Scripture, and youth ministry. His work also involved ministering to law enforcement personnel and their families, and in that arena has been able to apply his insights into healing the wounds of trauma.

Msgr. Mannion was the Rector of the Cathedral of the Immaculate Conception in Camden, NJ from 2001 until 2008 and his work has helped many pro-life organizations and dioceses to be more effective in advancing the work of healing and the protection of unborn children.
